

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF AT&T COMMUNICATIONS OF)	
THE SOUTH CENTRAL STATES, INC. TO ADJUST)	CASE NO. 91-425
ITS RATES AND CHARGES)	

O R D E R

On December 16, 1991, AT&T Communications of the South Central States, Inc. ("AT&T") filed with the Commission an application for authority to adjust rates containing a tariff to become effective on and after January 16, 1992. The application also contained a motion to deviate from certain Commission regulations, specifically 807 KAR 5:001, Section 10(1)(a), (c), and (e).

After reviewing the proposed tariff, the Commission finds that pursuant to KRS 278.190 further proceedings are necessary in order to determine the reasonableness of the proposed tariff and that such proceedings cannot be completed prior to the proposed effective date.

The requested deviations seek permission to authorize AT&T to provide the Commission with a financial exhibit consisting only of a revenue analysis, a waiver from the requirement to provide a description of its property, and a waiver of the requirement to provide the effect of average customer bills.

Having reviewed the filing and being otherwise sufficiently advised, the Commission finds that the information filed therein

is sufficient to enable the Commission to adequately review AT&T's filing. Therefore, its request for a deviation from the above-cited regulations should be granted.

IT IS THEREFORE ORDERED that:

1. The proposed tariff is suspended for five months from January 16, 1992 up to and including June 15, 1992.

2. AT&T's request for a deviation from the requirement of 807 KAR 5:001, Section 10(1)(a), (c), and (e), is hereby granted.

3. Data requests to AT&T shall be due no later than February 17, 1992. AT&T shall respond to all data requests no later than March 16, 1992.

4. Nothing contained herein shall prevent the Commission from entering a final decision in this case prior to the termination of the suspension period.

Done at Frankfort, Kentucky, this 9th day of January, 1992.
